

## NEW Cloakroom furniture

Tired of a messy cloakroom? This new cloakroom furniture will help children keep their belongings tidy and organised – there's a space for everything. Personalise the lockers with a name and photo telling your children "you belong here!"

There are four options shown below. To decide which is best for your setting:

1. Look at available floor space, and the number of children in your care.
2. Select the option that provides coat storage for every child while fitting your space requirements. Note that the Premium, Standard and Compact solutions all have the same footprint, but vary in space per child.

**Having trouble choosing? We're happy to help.**

### Premium solution

- A tidy all-in-one solution, ideal when floor space is not a constraint
- Holds 4 children's belongings in 130 cm section
- Two coat hooks per child
- Half-length Cubbies & benches available

### Standard solution

- Space-efficient option that still provides division between compartments
- Holds 6 children's belongings in 130 cm section
- Two coat hooks per child
- Half-length Cubbies & benches available

### Compact solution

- Ideal for maximising floor space
- Holds 8 children's belongings in 130 cm section
- One coat hook per child
- Half-length Cubbies & benches available

Welly storage  
on wheels!

See p. 49

### Mobile solution

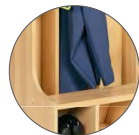

- Coat storage on wheels. Rolls to where you need it, easily moved for cleaning or storage
- Holds 12 children's belongings (6 on each side)
- One coat peg per child

### Coat storage unit 6 (A326) x2

Labels are easy for teachers to change out, and there's even space for a photo.

Clear pockets hold parent-teacher communication or artwork in a safe space.

Gap behind bench allows coats to hang down, leaving space to sit comfortably.

#### Easy to clean

Water or dirt falls through plastic grates in cubbies. Slide a broom or mop underneath to clear it away.

Children can put away shoes and coats independently in this easy-to-access Coat storage unit.

The Coat storage trolley fits into any available space – roll it out when you need it!

## Wall-mounted welly storage A301

Footprints show children where to place their wellies.

Offset shelves save space and drain away water without dripping on other wellies.

**Upright, of course!**

Children will instantly understand where and how to put their wellies away – and there's no need to touch muddy soles.

Castors enable easy movement and can be locked in place.

## Mobile welly storage A302

**Tight on space?** The double-sided Mobile welly storage holds 48 pairs of children's wellies for a neatly compact solution.

**Encourage independence.** Matching their wellies to the footprints turns the chore of tidying away footwear into a puzzle that children can solve all on their own.

## Welly storage

ECERS 2: 7.1, 5.1 ITERS 2: 7.1, 5.1

Here's space-saving welly storage that will keep your setting tidy and welcoming. Children can put away their footwear independently, and there's an individual space for everyone.

The double-sided Mobile welly storage can be rolled right to your entrance. Choose the wall-mounted version to bring order to cramped cloakrooms or narrow corridors.

For indoor use only.

**Mobile welly storage A302**

Holds 48 pairs  
Maximum welly height: 25 cm

**Wall-mounted welly storage A301**

Holds 24 pairs  
Maximum welly height: 25 cm  
Mounting hardware not included

Wall-mounted welly storage is the perfect choice for small spaces. Slide a broom or mop underneath to clear away dirt or mud.

**Stop the mess in its tracks.** The mobile welly storage rolls with ease – right to where you need it.
