Just like home. With dials that turn, doors that open, raised burners, and the natural warmth of wood, the Play Collection creates a child-size world of work and play. You can buy them in sets or as stand-alone units. Modular to each other and to Roomscapes shelving, you can arrange the units in any way you choose. Stack units on drawers for older children.

## Play Collection large sets

ECERS 24:5.3, 5.4 ITERS 20:5.2, 5.4

More than just a home corner, these sets encompass a wide range of functions. The Play Collection's solid construction and unique stacking feature give it the ideal flexibility to respond to children's creative ideas. Use one set in a large EYFS classroom or share the units between rooms.

Note: Baskets are woven from rattan, and small parts may break off. We do not advise their use with children under 36 months unless adequately supervised.

The simple, open-ended design and natural wood tones create a child-friendly world of work and play where imagination can flourish.

## Play Collection small sets

ECERS 24:5.3, 5.4 ITERS 20:5.2, 5.4

Toddlers love to act out what they see at home. Cooking and house play are among the first role play activities, in which children learn about the people and roles around them. The Play Collection adds play value for younger children in supporting schemas like posting and enclosing.

Note: Baskets are woven from rattan, and small parts may break off. We do not advise their use with children under 36 months unless adequately supervised.

Toddlers love posting balls and clicking dials. The Washing machine intrigues young explorers with its curved mirror drum.

**Drama centre (C700)**  
and **Peg tree (H559)**

The peg tree collects hats, scarves and necklaces.

Hook spots hold the Flowie in place.

**Compact dress-up unit (C715)**

Done for the day, or just ready for a change of scenery? Flip up the trim, roll to a new location, and flip it down to lock in place.

The dress-up box is a cosy space to climb into, and even the youngest toddlers can help at clean-up time.

## Drama centres

ECERS 24:5.4 ITERS 2:7.3, 5.3; 20:5.3

Role play, dramatic play, imaginative play – everyone agrees it's essential. It starts with a dress-up unit with lots of storage space. Click the arches into place, toss a Flowie over them, and you have an instant stage or cosy space. Made of transparent netting, the Flowie will give children a sense of being in their own world while you can still supervise.

The compact drama centre saves on space and serves younger children. Instead of trays for storage, we provided a dress-up box.
