Drama centre (C700) and Peg tree (H559)

Hook spots hold the Flowie in place.

The peg tree collects hats, scarves and necklaces.

Compact dress-up unit (C715)

Done for the day, or just ready for a change of scenery? Flip up the trim, roll to a new location, and flip it down to lock in place.

The dress-up box is a cosy space to climb into, and even the youngest toddlers can help at clean-up time.

Drama centres

ECERS 24:5.4 ITERS 2:7.3, 5.3; 20:5.3

Role play, dramatic play, imaginative play – everyone agrees it's essential. It starts with a dress-up unit with lots of storage space. Click the arches into place, toss a Flowie over them, and you have an instant stage or cosy space. Made of transparent netting, the Flowie will give children a sense of being in their own world while you can still supervise.

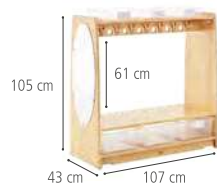

The compact drama centre saves on space and serves younger children. Instead of trays for storage, we provided a dress-up box.
