

Elevated slimline shelf keeps your coffee close, but out of the academic line of fire.

Secure storage
Hidden latch inside the handle for added security.

Two cable ports for tidy cable management.

Doors can be locked with key provided, or similar flat object.

Organised: Self-latching drawer provides secure storage for personal items, teacher accessories, and the key for the doors.

Customisable: Adjustable shelves inside the cabinet give you multiple storage options.

NEW Teacher standing desk

This compact and convenient workspace comes with lockable storage and adjustable shelves. With everything convenient and tidy, you can get paperwork done quickly and spend more time with the children. There's plenty of room for storage and record keeping, while the writing surface is water-resistant and easy to clean. Cable ports are well-located for charging devices.
