## Changing table with stairs, 10 drawers

A solid and functional changing table with a stable structure and a comfortable surface to lie on. Made of 18 mm maple chipboard and its base is made of waterproof HDPE board. There are convenient cutouts in the drawers instead of protruding handles, so there is no risk of getting caught on them. A flexible handrail on the stairs makes it easy to get up and down, and each step of the stairs is equipped with non-slip rubber. The changing table is available in two versions – with stairs on the left side (855271-L) and on the right side (855271-P). You can buy 855272 and 855273 mattresses for the changing table.

# Diaper shelves

Practical shelf to hang on the wall, with 6 compartments for nappies. The front is covered with a transparent plexiglass plate, so that the diapers do not fall out, but at the same time you can always see how many of them are left in the compartment. The 2.5 cm high holes allow you to easily pull out the diapers. The top, opening hatch is equipped with hinges with a release mechanism, which prevents fingers from getting trapped. The cabinet is made of 18 mm thick laminated board in a maple shade. Additional shelf for accessories.
